

Instructions: Please provide the information below to prepare for end-to-end (E2E) claims testing.

Background: The goal of the Healthfirst end-to-end (E2E) claims-testing initiative is to ensure readiness of claims transactions for organizations that have been designated for one or more of the new Medicaid Children and Family Treatment and Support Services that are effective January 1, 2019.

Section 1 | Provider Information

Name:	Tax Identification Number (TIN):
-------	----------------------------------

Section 2 | Contact Information (claims-testing contact)

Name:	Title:
Phone:	Email:

Section 3 | Claims-testing Questions

Do you currently submit claims to Healthfirst? Yes No

Select the Children and Family Treatment and Support Services you will be submitting claims for beginning January 1, 2019:

- Other Licensed Practitioner (OLP)
- Psychosocial Rehabilitation (PSR)
- Community Psychiatric Support and Treatment (CPST)

Indicate the billing NPI(s) your organization will use to submit Children and Family Treatment and Support Services claims:

Indicate how you intend to test claims submissions with Healthfirst:

- Paper
- Electronic/EDI (Electronic Data Interchange)

If Electronic/EDI, please indicate the name of your clearinghouse: _____

Additional Comments/Notes:

Please return this form to your dedicated Account Manager, or to Kaleena Colón at kcolon@Healthfirst.org.
